TFCU SKIP- A- PAYMENT APPLICATION

Member Name (please print) _____
Member/Account Number _____
Contact Phone Number _____

I would like to skip my December 2023 loan payment on the following loan number _____.
A separate application is required for each request and applications will not be accepted until the November 2023 payment has been made and the fee has been paid; all borrowers must sign the request. There is a $25.00 fee for this promotion which will be refunded to your account should your request not be approved.

To qualify, all TrailNorth Federal Credit Union accounts (loan and deposit) must be in good standing. Members whose accounts are under a legal, administrative order, or levy do not qualify.

Mortgage loans, home equity loans/lines of credit, commercial loans, VISA, and workout loans are not eligible for this product. This completed form must be received prior to the requested skip date. If your loan is paid via payroll deduction, your payroll will be re-directed to your TrailNorth Federal Credit Union savings or checking account for the month that you are skipping.

****Interest will continue to accrue at the prevailing rate during the time your payment is skipped. Skipping a payment will extend the duration of your loan. ****

All Deferrals are subject to Credit Union approval, and you will be notified by phone if your request has been approved. If your request is declined, you will receive an adverse action notice in the mail.

I wish to pay the $25 by:
